The NYS Department of Health (DOH) will provide critical information on the following key emergency preparedness topics:

#### Shelter In Place

Learn how to safely take care of clients who are confined to their homes in an emergency, including during a bioterrorism attack or pandemic outbreak.

#### Incident Command System

In an emergency situation, there is a critical need to understand who is in charge and when command changes. Learn who reports to whom, and who takes charge when.

#### Surge Capacity

Learn the process for accurately determining how many additional clients your agency can handle in an emergency, and what steps to take to handle additional clients.

#### H1N1 Overview

Get an overview of H1N1 along with the latest information about the virus.

#### Health Provider Network (HPN)

Review what resources are available and how to access and utilize information on HPN.
